My Dear Mother and Father:

This is Friday night
and rather late (about eleven o'clock)
I have been calling on Kate Balcer
with several boys. We came home
by the depot in time to meet the south
bound train and see some college girls
going to Walker Valley from Holly
Springs. Excuse me while I abuse
this paper awhile. It is all I could find
in this hell. Imagine what a
place of barbarism. Your letter does
not seem to have affected the graciousness
.. 10 B....

you are a trifle inconsistent. You
worned a good deal over what you
termed my "information" for Miss Rose
and when first ~~you~~ mentioned the
young lady from Jackson you laughed
at the idea that my fancy would
so soon go astray but now you
mention the young lady and
apparently are seeking to know who she
is. I think you had better stick to your
old expression "susceptibility." It is
much the best - both for me (in practice)
and for you (in theory). Second term
examinations are but three weeks off
and Monday I start to reviewing.
And I have stuck to my word.

I wrote after last Sunday.

You said in your letter that it had
not come. I was sick with the
diff. week before last but am all
right now.

Yours loving son
